ALL-COUNTY LETTER NO.77-29 (Adult Prog. Mgt.)

TO: All-County Welfare Directors

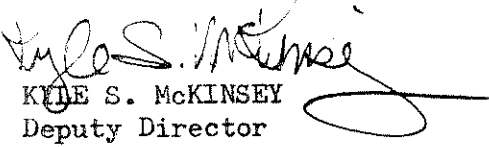

SUBJECT: Need for SSI/SSP Statistical Data By County

REFERENCE:

The State of California is investigating the feasibility of providing basic county SSI/SSP caseload data to counties needing this information for administrative and budgetary planning. County data giving caseloads by Aged, Blind and Disabled categories is the most readily available and can be provided on a quarterly basis. We are interested in knowing if this information would be useful to you. We would also like to know what additional SSI/SSP data might facilitate county operations.

You may send replies concerning your data needs for the SSI/SSP program to the Department of Benefit Payments, 744 P Street, Mail Station 15-55, Sacramento, California, 95814, Attention James Foreman.

Sincerely,

KYLE S. McKINSEY
Deputy Director
